**Villa Colline, Côte d'Azur**

**1 Villa Colline**  
Côte d'Azur, France

The infinity pool at this stylish villa makes the most of its spectacular location on a cliff's edge between Nice and Monaco, with sweeping views of the French Riviera. Built in the 1960s by the French architect André Drouin, who designed the Chagall museum in Nice, this five-bedroom villa set over three floors has been given a chic makeover with furnishings in a minimalist style. A glass lift whisks you to the three floors, the top one opening on to an alfresco dining area with lovely views of the bay of Villefranche.
