Set high up on the Colombier hillside this villa embraces the fresh island views and surrounding blue sea. The living area opens at the back and front for a flowing breeze. There's a smart lap pool and generous decking. The interiors are airy and spacious amplified by the high pitched roof in the sitting room, all is designed with a sharp simplicity and sparing use of striking colours. Both bedrooms overlook nearby Flamands Bay, with its long stretch of powder soft sands and chic beach restaurants.SB11
