

CN Di Pesaro Naumachos 82

Price: €3,495,000

"Indian" a 25.5m, 180 gross ton Naumachos 82 built by Cantieri di Pesaro in 2008, presents a superb opportunity for ownership of a superbly well-maintained, true explorer yacht.

The Naumachos 82 series featured a groundbreaking high volume and immensely seaworthy design engineered by Sergio Cutolo of Hydrotec paving the way for the hugely popular "pocket explore yacht" concept that has become so successful and popular today.

Built with a steel hull and aluminium superstructure, "Indian" offers huge volume more usually found in yachts approaching 35m loa. A tri-deck yacht, offering vast accommodation, "Indian" is a proper home at sea that can take on the most extreme conditions. Maximum navigation safety is guaranteed that allows sailing in wind strength greater than force 8 and wave heights above 4m. Combined with an efficient hydraulic stabilising system - zero-speed and underway - maximum comfort at sea is assured.

"Indian" offers ship-like ruggedness and the main engine is a heavy-duty, professional use 700bhp Baudouin that guarantees a high level of reliability, low maintenance and economical operational costs. At a cruising speed of 10-10.5 knots "Indian" has a range of 4,500 nautical miles. The Nanni diesel 'get-home' engine will provide any owner with additional full reassurance guaranteeing 6.5kts at 20l/hr consumption.

Designed for long periods at sea, "Indian" offers virtually unlimited freshwater production, large freezer, refrigerator, and well-equipped internal and external galleys, huge overall storage capacity, and robust systems throughout.

The same owner from new has refitted her twice ensuring full compliance and a superb overall condition. The last refit being in 2016/17.

With a full beam master suite "Indian" offers sumptuous accommodation for nine in a four stateroom configuration comprising the master, VIP and two twins - one with a Pullman bunk. A crew compliment of four is accommodated in two double cabins forward on the main deck.

Key Features :

- Excellent condition throughout
- Fully refitted in 2016/17
- Get-home engine with 20 lts/hr consumption at 6.5kts
- Steel hull and lightweight alloy superstructure
- 4,500 nm range at 10/10.5 kts cruise speed, 65lts/hr consumption
- Certified to RINA Category A Unrestricted Navigation
- Interior arrangement providing a full-beam master suite and accommodation for nine
- At anchor stabilisation
- Designed and fully equipped for long periods at sea
- Volume more usually expected from yachts approaching 35m length

"Indian" is a proper rugged ship offering superyacht quality throughout and impressively high equipment levels in a voluminous full-displacement efficient steel hull.

Specification

Builder/Designer
