Benetti 55m super yacht built 2013 and available for charter!

In a word, "wow". With Ocean Paradise, Italian superyacht specialists Benetti have distilled every aspect of contemporary yachting into 55m of flamboyant futurism. Imagine every luxury cruising accretion - then add a little more.

From her Sun deck with massage /fountain/ jacuzzi, movie projector, indoor /outdoor gym and dance floor this triple-tiered dynamo boasts a Japanese garden and ultra modern interior.

Imagine an interior where Zen gardens stylishly

mix with Carbon Fiber, Ocean paradise offers a selection of toys from original Space Invaders machines in the bridge deck salon to the latest Sea Bobs. A floating world of "Cool"

For décor, the owner looked to Benetti's very own Mauro Izzo.

From the stunning master cabin, a private balcony (with exterior shower) provides the perfect spot to relax and take in the view. Inside, classic and contemporary mix with effortless grace and floor length windows meld with mood lighting.

The main saloon brings a feeling of St Moritz ski lodge meets summer with rugs, pouffes and a Starck-esque seating are scattered over a modern hardwood floor. Watch movies in comfort with full surround sound.. Such indulgence is almost enough to keep guests from the expansive swimbeach private beach club and separate toy garage aft.

A crew with a proven charter record are waiting to welcome all who come aboard.
