Blue Ice is a striking, fast 46m (150') motor yacht and is hull number 8 in the iconic 150 series of sports yachts delivered by Palmer Johnson.

She has a 'blue ice' coloured hull, a sleek raised pilothouse, a fly bridge that features a glass atrium roof panel that slides fore and aft and a custom swim platform with a self-deploying ladder and a hydraulically-powered tender and toy garage.

Blue Ice features three dining areas, two of which seat eight people and the third seating 10. She also boasts several lounging areas for sunbathers and, for those who prefer shade, there is a permanent hard top on the top deck with a Jacuzzi and wet bar.

Accommodation is for 10 guests in a master suite, two VIP staterooms and two twin cabins convertible into doubles.

Water toys include a Castoldi jet tender, to three-seater waverunners, water skis, a wakeboard, donut, three canoes and snorkelling gear
